WHAT OUR CUSTOMERS ARE SAYING

“Thanks to you and all the team: I’ve met a number of the installers over time but Lewis and Simon have probably done the most and always been exemplary in their manner and how they engaged with me.”

“We had decided to use Box Clever right from the beginning when Tony came round and gave us our quote. After getting quotes from 4 other companies they were the only one that listened to what I wanted. The installation team, Lewis and Simon, were so considerate and tidy when working in the house and each window was installed and finished with the same time, care and high standard. I would highly recommend using them.”

“I’m really happy with the windows and French Doors - they make such a difference to the house. The guys did a great job fitting them (and tidying up afterwards too!)”

“Lewis, Simon, and Christian are masters of their craft. Absolutely fantastic new sash windows! 11 new windows installed in a week and to an incredibly high standard both inside and out. New frames are top notch and the whole property has been transformed. Thank you”

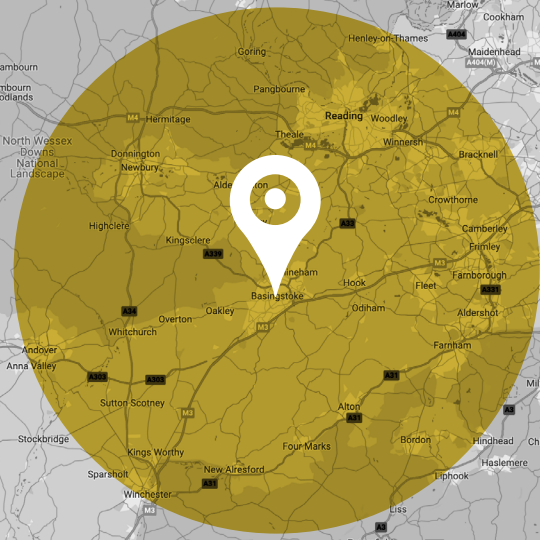

“The guys were a pleasure to have around, kept me very well informed during, and achieved a very high level of finish on timber work. Theirs skills are a credit to your business. The windows are making a difference already.”

“I am delighted with the service received from Box Clever Sash Windows. The entire team, from Tony’s initial visit to Lewis, Simon and Christian installing the windows and Syreeta helping with queries and payments, were an absolute pleasure to deal with. The windows look fabulous, thank you”
