WHAT OUR CUSTOMERS ARE SAYING

“Having used Barnet Window Company a year ago to replace one window and a back door, I was so pleased with the quality of the work that I decided to engage them to replace the remaining 7 windows in my property. As with my first experience, Barnet Window Company were extremely professional and highly competitive in dealing with the survey and quotation. The work was carried out over two days by Chris and Spencer with simply excellent results. They worked without fuss, ensuring everything was covered, and left the property clean and tidy. The quality of the windows and their installation is everything I had expected and more.”

“Barnet Window Company were a little more expensive than some of the other quotes I had but this was more than justified in terms of the customer service and the quality of the work done. Had all windows and patio doors replaced and Chris and Spencer did a great job fitting everything, and they even fixed my fence after the storm blew a part of it down. Can't ask for better service really :)”

“We appreciated the professionalism, efficiency and helpfulness of everyone at Barnet Window Company. Their guides to choosing windows were informative, the displays in the showroom were well-presented. Tommy was very helpful in talking us through the options and answering our questions, and his initial visit was reassuring. The quote and other documentation were comprehensive and well set out. Peter's visit to take detailed measurements was thorough. When the windows were installed (a bay window and a sash window) Chris, Spencer and Ricky left everything clean and tidy. The windows look great. Thanks also to Abby for the arrangements and paperwork. It was good to have the windows in before Christmas too. Altogether a very positive experience.”
