## A family run business centered around the values of honesty, integrity and courtesy

Set up in Farnborough way back in 1990, the company's ethos of honesty, integrity and courtesy means whenever our clients seek out our services, they only ever receive impartial advice to help them get the very best for their homes.

These family values are still as relevant today as they were during the company's inception. However, over the past 30 years, we've grown to become one of the most trusted names in home improvement; people all over Hampshire, Surrey, Berkshire and South-West London know us for the quality of our service and the diverse range of excellent products that we install.

One of the reasons why we've managed to enjoy so much success is our ability to cater to projects of any kind. No matter whether we're performing a large, bespoke glazed extension installation or working with a homeowner who has a restricted budget for new uPVC windows, the standard of service will always be just as good whilst the products used will be fit for purpose.

We operate within a 1-hour radius of our Farnborough HQ, meaning we provide the unique offering of a truly local service. This has enabled us to build up an unrivalled knowledge of our local area and the requirements of the homeowners living within it. So, whatever you're looking to achieve, we're certain we'll be able to help.

With 4 showrooms dotted around Surrey, Hampshire & Berkshire, we also ensure that homeowners don't need to travel far in order to explore a huge number of different ways for enhancing their current homes.

## WHY CHOOSE SHERBORNE WINDOWS

**Excellent**  
4.9 out of 5 based on 212 reviews on Trustpilot

We're very proud of the excellent reputation for customer care that we've built for ourselves over the years. However, we refuse to rest on our laurels and continue to put our customers first from the initial point of contact we have with them until the last.

We also use a unique Customer Relationship Management (CRM) system to help us effectively manage any of the dealings we have with our clients once the installation work is complete. So, we will continue to look out for you and your home even after we've finished working on it.

Combining new technologies with advances in science in key areas like energy efficiency and security are a massive part of our business. But, crucially, how you combine these new innovations with more traditional housing stock and especially the needs of Listed Buildings & Conservation Areas is a major challenge that we continually research & develop at Sherborne to benefit our clients and the success of our business.

We strive to continually evolve, taking advantage of the new window, door and conservatory innovations as they become available and developing them to maximise performance levels. We'll also continue to invest in such matters to improve what we're able to offer to our future customers.

Bygone  
quality  
and care

The Bygone Sash Window Collection features the most exacting detail and innovative elements along with a perfect finish to ensure that you fit the very best to your home. As Bygone approved Master Installers, we have been handpicked to provide the quality of installation that matches the quality of your new sash windows.

#### WHAT OUR CUSTOMERS ARE SAYING

“Sherborne advised, supplied and fitted sash windows to the front of our Victorian property. Originally we were going to go for wood replacements but after Sherborne showed us the Bygone Collection we were converted. All the look of authentic sash windows without the maintenance of wood and with modern day security features. Perfect! So many people have commented on them and our new etched front door - even complete strangers passing by!”

“We have been extremely happy with the work done, and the finished installation. The installation team from Sherborne (Ben, John & Theo) were all excellent throughout. We felt their attention to detail was quite meticulous, and their behaviour and standard of professionalism exemplary throughout.”

“Brilliant service from start to finish. Lewis took time to listen to what we wanted and offer advice on the best windows for our home. The fitters were excellent - Jason did a beautiful job and cleaned up after the work each day. The finished windows look wonderful and we are so pleased. Cannot rate Sherborne highly enough!”

“We found them to be reliable, professional and obliging. If there were any problems they were quickly dealt with. All the workers who were on site were polite and worked efficiently and, although the build was during the winter months, made as little mess and disruption as was possible. We would not hesitate to recommend them to friends and we have had nothing but complimentary comments on our new living space. Well done Sherborne and thank you!”

INSTALLATIONS  
OF BYGONE SASH WINDOWS

**OPERATING WITH A 1-HOUR RADIUS OF OUR HQ IN FARNBOROUGH AND 4 SHOWROOMS DOTTED AROUND SURREY, HAMPSHIRE & BERKSHIRE**

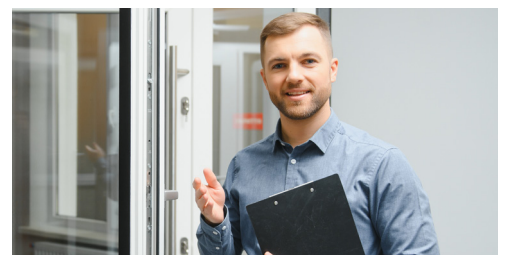

Because we believe in offering our customers only the very best quality sash windows we have been Master Installers on the Bygone approved network since 2005.

Whether you have a period style or new build, modern and contemporary home, we have a Bygone sash window to suit. You have a choice of three different specifications, Symphony, Harmony and Melody and we can offer advice and take you through the differences to help you choose the right window for your home.

Timber alternative Bygone sash windows not only look like timber originals but they are also incredibly low maintenance and are therefore an excellent investment. They come with a host of accreditations, a full 12 year guarantee and all window choices are PAS24/Secured by Design as standard for extra peace of mind.

Coloured windows are very much on trend and Bygone sash windows can be colour matched to all leading brand paint supplier palettes to suit your individual preference.

For more information on the Bygone Collection or to arrange a free quotation, please speak to our friendly sales team.
